

TAMATISHA
Solutions

For all your Tools & Solutions

Introduction

The Branding and promotional service Industry in Kenya has had both drastic and dramatic changes. Companies are always on move to keep pace with changing technology, create royal customer following and advertise and Market themselves effectively. In that quest many companies and organizations have been left in a void of how to effectively market themselves and brand themselves a gap which TAMATISHA seeks to fill.

TAMATISHA Solutions was formed and pioneered by a highly qualified and trained staff who felt the consumer was not getting the full benefits of their capabilities and potentiality to satisfy them. Due to the vast experience of the staff in the industry we strongly believe that TAMATISHA is not just a business investment but a solution power house for all your business tools and solutions.

Tamatisha solutions is a leading company in branding, marketing and a leading solution provider throughout in Kenya having been a major contractor in major projects like branding, coo-
perate rebranding, printing, Gift items and other promotional items going by the wide range of clientele we have.

Mission Statement

We believe that we have qualified, capable, efficient, reliable and affordable services that can enhance the market requirements in all leading industries. Hence creating a royal customer following.
